ORCIS - Test Ordering Portal	CDx Connect - Test Results Portal

Eurofins Biomnis offer electronic ordering (Orcis) and a results portal (CDx Connect)
- To reduce the use of paper (carbon footprint). Paper results will <u>not</u> be issued unless you tick the **Must Have** box
- Reduce errors (handwriting and data input errors)
- Improve TATs (turnaround times)

Main User of CDx Connect (sets up the account then approves all other users)

Persons Name : (Block Capitals)

Position/Role:

Department:

Email Address:

Name of Organisation:

☐ I **MUST HAVE** paper results *(enter results address below)*

Address of Organisation:

Authorising Signature: This person authorises the above as the main user of CDx Connect

I, (**Block Capitals**) _____ , hereby authorise the above member of staff to access both

ORCIS and CDx Connect and to be the Main Designated User of CDx Connect on behalf of the organisation specified above:

Signature:

Position:

Date: /   /
       DAY   MONTH   YEAR

- The above signature can be manual or electronic, but must be a signature, not a typed name.

- Please note the details on the "Main User of CDx Connect" and on the "Authorising Signature" sections must be of different senior staff members. Self-authorisation is not permitted. Exemption applies only to sole traders.

- Access to CDx Connect and ORCIS is specific to each individual and the sharing of unique personal username and password is strictly prohibited.

- If a staff member no longer requires access, it is the responsibility of you, the client, to contact Eurofins Biomnis Ireland to request their access is removed.
